

DataPRO

UPGRADING THE EU DATA PROTECTION SECTOR WITH NEW SKILLS

International Conference (ZOOM Event)

25th February 2021

14.00 – 16:30 CET

IHF asbl and the DataPro Partners are glad to invite you to the Online International Conference that will take place on the **25th February 2021** (Virtual Meeting: 14:00 – 16:30 CET).

This conference is addressed to Data Protection Officers as well as any other parties interested in the protection of personal data.

It is an opportunity to hear about the practical experiences of the GDPR implementation as applied by SMEs and other organisations in the countries of Cyprus, Germany and Greece, but also from a pan-european view point. The conference will also deal with the COVID-19 implications on cybersecurity dynamics, as well as with the challenges faced in the certification process of DPOs training.

Please register for this Conference by 23 February 2021 (click below)
